Thanks, Josh. We are also looking forward to the discussion tomorrow. I should have asked this before, but will we have equipment at the lab to show you a PowerPoint presentation? See you then.

Best,
Noah

Hi Noah,
Lynda tells me the lab conference room is available on May 2, and we're all available anytime between 11 and 3 pm that day.
Should we plan on meeting from 1 to 3?

Josh

I am still waiting to hear from the lab.
All of these dates work for Greg.
I'll try to raise it up the flag pole. The facilities person may be out.
Get back to you shortly.

Hello Noah,

Regarding the dates you asked about, I am providing information on when Lynda and I are available. However, we won't be able to hear from Greg this week. And we'll also have to check on availability of the conference room at the EPA Lab in Richmond.

April 26th available 3 to 5pm

27th not available

May 1st available all day

May 2nd is open between 11 am and 3 pm

May 3rd not available

May 4th, not available

May 5th not available.

Please let us know if these dates still work for you, and we'll finalize next week.

Thanks,

Josh

Lynda,

Are you and your team available on the dates listed by Noah below?

I'd vote for the 27th.

Best,

Josh

Hi Josh and Lynda,

Regarding a date for our meeting, Josh and I had previously discussed moving the meeting to the 24th or 25th of April. Unfortunately, due to some intervening events, neither the 21st, 24th, or 25th will work for

both me and Jeff. However, we are free the 26th and 27th, and we are also free the following week, May 1st through May 5th. Do any of these dates work for you?

I apologize for the difficulty involved with setting a date, but hopefully we can get a date squared away as soon as possible. Please let me know.

Best,
Noah

Hi Noah,

We're going to hold the meeting at the EPA Region 9 Lab in Richmond, CA.

I've provided the full information below.

This will be a much closer drive for Greg Reller. And both Lynda and I live in the East Bay. Assuming you are flying to the Bay Area, I suggest you fly to Oakland Airport.

Lynda has talked to staff at the lab, and they will set up a projector and screen. Please bring your presentation on a flash drive. Our cyber-security policies prohibit plugging non-federal computers into our equipment.

Let me know if you have any questions.

Regards,

Josh
